KICK LIKE A PRO WITH OWEN FARRELL

This is a once in a lifetime opportunity to be on the field with one of the world's greatest rugby legends, Owen Farrell.

This unique experience will allow you and a guest to meet the star with a one hour kicking lesson hosted by Hackett.

Farrell held the record of youngest player ever to appear in English professional Rugby Union. In 2017, the England fly-half became Saracens' all-time leading points scorer, having scored 1548 points in his career so far.

His impeccable boot has some calling him one of the most feared kickers in the world and having played in 24 Six Nations games for England so far, Farrell has become one of the stand-out playmakers and goal kickers in world rugby.

EXTREMELY RARE LARGE FORMAT BOTTLES OF SOLDERA 2010 WINE

A wine collector's dream and a rare opportunity to own Gianfranco Soldera's 2010 Toscana Sangiovese IGT Case Basse Gianfranco Soldera in both a Jeroboam bottle (3Ltr) and an incredible Imperial bottle (5Ltrs). This is the best Brunello di Montalcino wine throughout Italy.

In the early hours of the 3rd December 2012, unknown people broke into Soldera's cellar and opened 10 barrels of 6 vintages of future Brunello di Montalcino: 62,600 litres were lost. The best vintage of 2010 suffered the greatest loss, but fortunately 450 litres were not touched in this act of vandalism and survived in a separate tank.

The amazing kindness of the Soldera family to Chain of Hope, under the guidance of Mr Gianfranco Soldera himself, decided that what remained of the outstanding vintage 2010 would only be donated to very few and important causes that are close to them. The Soldera family also emphasise their contribution to charities that support less fortunate children and young people all over the world.

Your chance to own this unique piece of art, created by renowned artist Eddie Martinez, from Timothy Taylor's Gallery Collection. New York based Eddie Martinez has gained international recognition for his extraordinary use of line and manipulation of colour. The New York Times art critic, Roberta Smith, praises Martinez's "exceptional gifts as a painter and draftsman, which he exuberantly combines".

Martinez has exhibited internationally, with pieces showcased at Kunstmuseum Bonn; The Saatchi Gallery, London; Garage Centre For Contemporary Culture, Moscow; Museo de la Ciudad de México, Mexico City; and Deste Foundation Centre for Contemporary Art, Athens. In September 2017, Martinez held a significant solo exhibition of works on paper at the Drawing Center, New York.
